Making It Easy for Your Clients

Collecting sensitive medical information is a time-consuming process. Ease software allows employers to simplify the process of purchasing and enrolling in benefits by removing paperwork and allowing employees to fill out their information online. That extra time is invaluable, which can make a huge difference when they're choosing a Broker.

A little investment in marketing and sales tactics can go a long way. If you're looking to simplify the benefits management process, **Preferred United Plans "Alternative Funding"** is one click away for new business.
